SARA MEEKS PT, MS, GCS, KYT

I HAVE A DREAM

I have a dream that someday every person, regardless of age, gender, ethnicity, lifestyle or any other factor, who has any musculoskeletal condition (including *Low Bone Mass*) will be able to enter any facility or class where exercise and movement are being taught, and that person will be given a program that is **#1 SAFE**. Hopefully, that program will also be therapeutic, effective and improve a person's over-all well-being and quality of life.

This is **NOT** the case today.

When you experience my seminar, you will find out why and, as you learn new principles of movement and exercise designed for skeletal health and safety, you can help me fulfill my dream.

As thousands of others have done, you, too, can become a Dreamer!

Sara

- has developed a 12-point, comprehensive, site-specific, SAFE, effective program of exercise and movement based on REVERSAL of The Patterns of Postural Change® (see diagram below) that occur AS, but not necessarily BECAUSE, people age.
 - Is now a Lifetime member of the APTA
 - founded the Special Interest Group on Bone Health, Section on Geriatrics, APTA
 - has taught all or part of this seminar at both APTA Annual Conference and CSM, in Canada, Australia, India, Italy, Hungary, Czech Republic, Poland and in the U.S. at Mayo Clinic, Cleveland Clinic, Kaiser Permanente, Johns Hopkins and Ohio Health
- and is a
- pioneer in the field of postural correction and body alignment
 - recipient of the Section on Geriatrics Excellence in Clinical Practice Award
 - Physical Therapy Consultant for Osteoporosis Canada's BoneFit program,
 - presenter to health professionals and the public on posture, body alignment and bone health internationally.

With over 53 years of clinical experience, 31 of them focusing on the management of persons with low bone mass, and diagnosed with osteoporosis herself, Sara brings passion, wisdom, humor, perspective and a distinct sense of mission to her seminars.

“OMG! I LEARNED SO MUCH!”

COURSE OBJECTIVES

Upon Completion of this Course, Participants will be able to:

1. Articulate information on the diagnosis, first signs and risk factors, epidemiology and pathology of Low Bone Mass,
2. With a Pre-Assessment, know how to identify people who may be at risk in their clinic.
3. Articulate a thorough assessment process with valid, reliable tools to measure progress.
4. Know why interventions for better bone health would differ according to the clinical condition of the patient.
5. Apply the concept of the Patterns of Postural Change© to exercise prescription.
6. Apply the principle of Isolate-Activate-Integrate to exercise prescription..
7. Instruct Postural Correction, Balance & Gait Training intervention according to The Meeks Method
8. Identify specific treatment guidelines and considerations for patients in all settings.
9. Instruct patients in safe ADL's and body mechanics
10. Be familiar with use of modalities to augment the exercise program.
11. Know when to make referrals to other health professionals.
12. Apply concepts of safety and therapeutic intent in advanced exercise programs.

COURSE OUTLINE

DAY 1
